# WNC Graduates Ready to Make a Difference for Nevada

Two years ago, Western Nevada College welcomed its largest ever class of new students. More high school graduates than ever before enrolled at WNC, along with a growing number of adults seeking updated career skills and college degrees during a deep recession.

This spring, a record 463 graduates walked across the stage to receive a diploma or certificate, and now are ready to make a difference in their own lives, as well as in the economic future of the Silver State.

WNC awarded 510 degrees and certificates, 19 percent more than two years ago. According to Western Nevada College President Carol Lucey, the growth is largely a result of ongoing efforts to connect personally with high school students in the widespread rural Nevada counties and offer student services that assist key populations. WNC has reached out to first generation college students, returning military veterans, adults who have been displaced in the job market, and place-bound residents who cannot commute long distances or relocate to attend college.

“Western has been taking the message to graduate students very seriously,” Lucey said. “The president of the United States, the governor of Nevada, and the chancellor of the Nevada System of Higher Education have all challenged us to increase the number of students who graduate, and who graduate on time,” she said. “We take that challenge very seriously, and I believe our record and the number of graduates makes that point clearly.”

Jason McGill, President of the Associated Students of Western Nevada College

*“WNC has prepared me to be what I want to be. When I accomplish my goal of becoming a lawyer, I will be able to serve Nevadans the way they deserve to be served. I know that the knowledge and experience I have gained from WNC will set me apart from the rest and enable me to make a positive impact on the state of Nevada.”*

# Online Classes Provide a Convenient Way to a College Degree

**Busy Lives-High Gas Prices-Long Commutes. Sound familiar?** Western Nevada College faculty and staff know that many residents of the college's seven-county, 18,000-square-mile service find it helpful to utilize distance education for some or all of their college classes. Not everyone can commute long distances every day to earn their college degree.

To better serve our students, many faculty members teach classes online or by interactive video, as well as at a college campus or teaching center. They employ the teaching techniques that help students feel connected with their college and their fellow students, wherever they happen to be seated.

Online classes offer access to education in a whole new way by allowing students the flexibility to earn college credit on a schedule that is convenient for them, day or night, weekdays or weekends. Whether students are working toward a degree or looking for individual class offerings, WNC has more than 80 online classes to meet various student needs.

*At WNC, the number of students taking online classes has more than doubled in the past five years. More than 25 percent of students now enroll in at least one online class each year.*

Online classes are not easier than in-person classes. In fact, they require a high level of motivation and organization by the student. Requirements are just as stringent as in any other class, and falling behind in completing assignments can have the same negative effect on grades as in a traditional course. Even so, some students prefer online classes because they can work around work schedules and family life.

## ONLINE DEGREES

WNC offers three degrees that students can earn completely online:

- Associate of Applied Science-Business (career preparation degree)
- Associate of Arts (university transfer degree)
- Associate of General Studies (university transfer degree)

*Other degrees may include some online class options. Meet with a WNC counselor to create a plan for completing a degree online.*

### A SAMPLING OF 2011 FALL ONLINE CLASS OFFERINGS

#### Preparing Students for Academic Success • EPY 150 - Class #80592

## Western Launches a New Online Learning Platform

WNC Online, the college's new online learning system, offers students and instructors access to new and improved teaching and learning tools:

- Access to blogs, wikis and one of the best learning workspaces in the world
- A personalized online workspace for easy access to courses, news and links
- WNC Online Connected, a social learning space, similar to Facebook, for interacting with fellow students, creating friend groups, sharing content and notes, posting links to events and information, getting Twitter updates, submitting comments or questions and more!
- Mobile-friendly apps for the iPhone and Android, enabling students to access to learning on the go.

*The new platform for web courses is powered by Moodle, which stands for Modular Object Oriented Dynamic Learning Environment. WNC Online replaces the college's former WebCampus/WebCT/Blackboard online learning tool.*

## How WNC Courses Transfer & Meet Degree Requirements

WNC's course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

**Courses with numbers below 100 (such as ENG 95)** are developmental courses which do not apply toward a WNC degree or honors and normally do not transfer to a university.

**Courses with numbers from 100 to 299 (such as HIST 101)** are college level courses which may transfer within the Nevada System of Higher Education, and often transfer to other colleges and universities, as either an equivalent or a general elective.

**Courses with numbers 300 to 499 (such as MGT 462)** are upper division courses that are designed to apply toward a WNC Bachelor of Technology degree. They may also transfer to other colleges and universities. For information about how these courses can transfer and apply to a specific program of study, please contact a counselor.

**Courses with numbers 1000 and above (such as CFK 1001)** are non-credit, non-college continuing education courses. Please contact a counselor for more information.

**Courses with an 'L' Designator after the number (such as PHYS 151L)** are laboratory courses designed to apply toward a WNC degree and/or transfer to other schools within NSHE, depending on the degree chosen and other courses completed. They may transfer to colleges and universities outside Nevada. Contact a counselor for more information.

**NSHE Non-Transferable Courses** are not articulated for transfer towards an NSHE degree and are not applicable toward a WNC Associate of Arts or Associate of Science degree. However, if a student completed a non-transfer course and the transfer status was later changed, the student may petition to have the course apply towards an AA or AS degree. Contact Admissions & Records for further information.

# PRIVACY NOTICE

## Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974, Western Nevada College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student. WNC does not release information to parents of students regardless of dependence status without prior written consent of the student. A student is defined as an individual who has applied to WNC and who is or has been in attendance at WNC.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

**(1) The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.**

A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the institution official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

**(2) The right to request the amendment of the student's education records that the student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.**

A student who wishes to ask the institution to amend a record should write the institution official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed. If the institution decides not to amend the record as requested, the institution will notify the student in writing of the decision and of the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

**(3) The right to provide written consent before the institution discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.**

The institution discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the

institution has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the institution.

Upon request, the institution also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

As permitted under federal law, an exception to the above practice is the release of "directory" information considered to be public in nature and not generally deemed to be an invasion of privacy. The Nevada System of Higher Education has designated the following information as directory information: student name, address, telephone number, e-mail address, degrees, honors and awards received, major field of study, college, dates of attendance, date of graduation, undergraduate or graduate status, most recent educational agency or institution attended, enrollment status (full-time or part-time), participation in officially recognized activities and sports, and weight and height of members of athletic teams. WNC has further designated photographs from college sanctioned events as directory information.

Students have the right to refuse to let WNC and NSHE designate this information as directory information and have until the end of the first six weeks of the fall or spring semester to submit a request for non-disclosure of the above items. A request for non-disclosure submitted at one NSHE institution will apply to all NSHE institutions.

**(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901**

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs, to confirm graduation and dates of attendance to potential employers; or to verify enrollment with organizations such as insurance companies without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to Admissions and Records. This directive will apply permanently to your record unless you choose to reverse it by submitting a written authorization.

- ☐ Do not disclose my information for commercial purposes.
- ☐ Do not disclose my information for non-commercial, educational purposes.
- ☐ Do not disclose my information for both commercial & non-commercial purposes.

## Express Classes

WNC offers many late start, shorter college classes to fit busy schedules. Visit individual department listings or [my.wnc.edu](http://my.wnc.edu)

## Distance Education at WNC

WNC offers a full range of classes delivered online through WNC Online and by interactive video. Both are designed to meet the needs of students with busy lifestyles who may not have the opportunity to attend regularly scheduled or on-campus classes. Interactive video classes offer two-way audio and video from the originating site at regularly scheduled times.

Many web classes have few, if any, scheduled meeting times and can be accessed 24/7 from any computer.

## Rural Services & Programs

To serve residents in smaller communities of western Nevada, WNC offers a combination of interactive video and online classes that will allow students to earn a two-year associate degree or prepare for transfer into a four-year bachelor's degree program.

This fall, interactive video classes will be offered in Fernley, Hawthorne, and Yerington, at designated community locations. See the individual class schedule pages or check myWNC online for details.

Through partnerships with individual school districts and city governments, Western Nevada College is able to offer courses between 5:30 and 9:45 p.m., Monday through Thursday, that lead to an associate degree. Students may also choose from dozens of online courses offered each semester that can supplement interactive video classes to achieve a degree or prepare to transfer to a university.

Many students also commute for some of their classes to the Fallon campus, which is the hub of WNC's rural education programs. There, a wider variety of courses is offered on site that can lead to an Associate of Arts or an Associate of Science degree.

For some majors, students also commute to the Carson City or Douglas campuses for a portion of their degree.

See individual course pages for Fernley, Hawthorne, Lovelock and Yerington to view fall classes.

## WNC Online

Online and web enhanced classes are provided through WNC Online. Students taking online classes should have regular access to a reliable computer with a high-speed Internet connection. Basic skills required include: sending and receiving e-mails, word processing, attaching files, and basic web browser configuration. Successful online students are independent learners, self-motivated, and possess good reading skills and study habits. A typical three-unit class requires a minimum of about 10 hours per week for reading course materials and completing assignments.

**[www.wnc.edu/online/](http://www.wnc.edu/online/)**

*Log-in instructions are listed at the upper right corner of the online page.*

**Web Classes:** Classes delivered over the Internet that may require one or more scheduled meetings, either online or face-to-face.

**Web Enhanced Classes:** Regular face-to-face classes that use an Internet component to expand the course experience.

**Blended Classes:** Classes delivered primarily over the Internet with regularly required face-to-face meetings.

**Moodle:** The software that the college uses to power WNC Online classes. Access Moodle directly at <http://wnc.mrooms3.net>

*The WNC Student Code of Conduct applies to online classes as it does to traditional classes. The online classroom should be considered the same as a traditional classroom with all of the norms of behavior that the statement implies. Students should communicate with their classmates and instructors in a polite, civil manner, using proper English.*

## Grade Policy

WNC students obtain their grades via the Internet. The college does not send grade mailers at the end of the semester. Grades are available approximately two weeks after the end of the semester. Fall grades will be available on Friday, Jan. 6.

Federal law protects your grades. The Family Educational Rights and Privacy Act of 1974, as amended, requires a photo ID to verify that the requestor is the person who earned the grades requested when a request is made in person. A unique password is considered the equivalent of a signature when the Internet is used to view grades.

## Late Registration

The last day to add a full-term class through myWNC is Friday, Sept. 2. Students must submit a Special Enrollment Request form with instructor signature/approval during the second week of classes. After Friday, Sept. 12, students must pay for a class in full before a class will be added using the Special Enrollment Request. The last day to pay for and submit a request to add a full-term class is Friday, Sept. 23.

## STUDENT E-MAILS

Students are required to provide a personal e-mail address in order to use myWNC for registering for classes and accessing student information.

Students are responsible for updating their e-mail contact information on myWNC. The personal e-mail address on file will be used by the college and faculty for contacting students. E-mail addresses may be created through Yahoo!, Google, Hotmail, or any internet provider.

*Remember to keep your personal e-mail address updated through myWNC!*

# ADMISSIONS & REGISTRATION INFORMATION

## Admissions Policies

WNC maintains an “open door” admissions policy. Any individual who can benefit from instruction at the college is welcome to enroll. WNC has no pre-admission standards and does not require new students to provide transcripts of previous educational experiences. Thus, any U.S. citizen, resident alien or qualified international student who:

- is at least 18 years old, or
- is a high school graduate, or
- has completed the General Education Development (GED) exam and scored a 12th grade equivalency, may enroll in any general program offered by WNC.

Admission only ensures general enrollment at WNC and does not guarantee admittance into specific programs or particular classes. For information regarding academic programs or classes, contact a counselor or the appropriate academic division.

[www.wnc.edu/studentservices/admissions/](http://www.wnc.edu/studentservices/admissions/)

## ADMISSION FOR NEW STUDENTS

New students or students who have not taken a credit class in the past three years must submit a fall 2011 application for admission. Students must submit a separate application to enroll in non-credit, community education classes. Once an application has been submitted, within 3-4 business days, student ID number and password information will be sent via e-mail, allowing access to myWNC.

## ADMISSION FOR HIGH SCHOOL STUDENTS

The college permits enrollment for those not yet graduated from high school. High school juniors and seniors may enroll with a completed High School Authorization form available at the WNC Admissions and Records office or online.

High school students below junior level, when identified as academically talented by the school district and recommended by a designated school official, will be reviewed by the director of admissions on a case by case basis for enrollment status in credit courses. These students must have a minimum 3.0 GPA and meet with a WNC counselor. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

## ADMISSION FOR INTERNATIONAL STUDENTS

All foreign-born, non-resident students planning to attend WNC must contact Admissions and Records on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

## ADVANCED STANDING ADMISSION

Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNC. These students should request to have official transcripts from each previously attended institution sent to WNC Admissions and Records.

## AUDITING A CLASS

Auditing is a process by which the student pays all the regular fees, attends class sessions, receives all the instruction, and generally does the same assignments and work of a regularly enrolled student, but does NOT receive a grade or credits for the class. Auditors are not required to take exams. The last semester date to change credit to audit, or audit to credit, for full-term classes is Saturday, Oct. 22. After this date an audit may not be changed to a letter grade and a letter grade may not be changed to an audit.

## COURSE EXCHANGES

Even exchange of courses is allowed during the second week of the semester (September 6-9). Students who want to drop and add full-term classes must submit a Special Enrollment Request form to Admissions and Records by September 9. Students requesting an even exchange should not drop classes through myWNC. Instructor signature(s) required for courses to be added. Course units to add must be equal to or greater than course units to drop. Dropped classes approved for even exchange will be removed from a student transcript.

## COURSE LOAD

The number of units taken by a student, excluding courses taken for audit, makes up the total course load. The number of units a military veteran or financial aid student takes generally determines the benefits he or she receives. Full-time students carry 12 or more units; three-quarter-time students carry 9-11 units; and half-time students carry 6-8 units. Students may not enroll for more than 18 units per semester without permission of a WNC counselor. The maximum number of units a WNC counselor may approve is 21.

## NURSING & ALLIED HEALTH PROGRAMS

WNC offers an Associate of Applied Science Degree in Nursing.

Admission to the Nursing program is limited and requires a special application.

**Counseling Services** ..... 445-3267

## RESIDENCY

Regulations for determining Nevada residency for tuition charges are set by the Board of Regents. One of the following categories must apply in order for a student to be deemed a Nevada resident:

- 1) A dependent person whose spouse, family or legal guardian is a bona fide resident of Nevada for at least 12 consecutive months prior to the student's date of matriculation.
- 2) A financially independent person who is a bona fide resident of Nevada for at least 12 consecutive months prior to the date of matriculation.

Date of matriculation means the first day of instruction in the semester or term in which enrollment of a student first occurs. A student has matriculated if he/she enrolls for a course and does not withdraw before the 100 percent refund period or has a record of previous enrollment at Western Nevada College. A nonresident who matriculates to WNC shall continue to be classified as a nonresident student throughout the student's enrollment, unless and until the student demonstrates continuous physical presence as a Nevada resident for at least 12 months immediately prior to the date of the application for reclassification. There are additional criteria that must be met for reclassification to resident status. There are also exceptions for determining residency, including graduation from a Nevada high school.

## AGENCY FEE PAYMENT

Students must submit the authorization for third party payment to the Business Office at WNC Carson City during the week they register.

Fax .....445-3027

## APPLICATION FEE

All students who apply for admission are assessed a one-time \$15 fee when they register. This fee is not deferrable or refundable even if the courses are full, dropped, or canceled.

## GOOD NEIGHBOR TUITION

The Nevada System of Higher Education has discontinued the Good Neighbor reduced tuition policy due to state budget cuts. However, any students who currently have Good Neighbor status will continue to pay reduced tuition as long as they are continuously enrolled.

## NON-RESIDENT DISTANCE EDUCATION TUITION

A reduced non-resident tuition fee of \$34.75 per unit for lower division classes and \$56.75 for upper division classes will be added to the regular registration fee per unit for non-resident students enrolled exclusively in distance education classes, and who reside outside of Nevada during the semester in which enrollment in the distance education course(s) occurs.

## NON-RESIDENT TUITION

Out-of-state students who enroll for six or fewer units in a semester are required to pay an additional \$76.25 per unit for lower division classes and \$124.50 per unit for upper division classes. Those who enroll for more than six units in a semester must pay an additional \$3247.50.

## PAY BY INTERNET

Pay with e-check, Visa, MasterCard, or Discover online at [my.wnc.edu](http://my.wnc.edu). Verify account balance after submitting request.

## PAY BY MAIL/DROP BOX

Make checks payable to Board of Regents. Indicate the student's NSHE ID number. A fee payment box for after hours is located on the Carson City campus or mail to:

WNC Business Office, 2201 West College Parkway Carson City, NV 89703-7399

## PAY IN PERSON

Business Office hours are Monday through Friday, 8 a.m.-5 p.m., unless otherwise noted.

### DOUGLAS

Monday-Thursday.....9 a.m. - 6 p.m.

## PAYMENT PLAN

The WNC Business Office offers a payment plan for any student who is enrolled in six or more units (current semester only). The plan divides the balance into three equal installments that are due on August 12, September 12 and October 12. Enrollment will be canceled if the first payment is not made on time. If second or third payments are late, a \$10 fee or 10% of the balance, whichever is greater, will be accessed for each late payment. Sign-up at [my.wnc.edu](http://my.wnc.edu)

Application for admission fees, laboratory fees, and Community Education fees may not be deferred. Special fees, i.e., lab fees, insurance, etc., and approximately half of the registration and tuition fees are payable at registration.

# IMPORTANT INFORMATION ABOUT FEES

## REGISTRATION FEE

The registration fee for lower division classes is \$78.25 per unit and for upper division classes is \$128 per unit (except for Community Education classes). The fee to audit a class is the same as the fee to register for credit. NOTE: some classes also carry a special use or lab fee.

## TECHNOLOGY FEE

The NSHE Board of Regents technology fee of \$5.50 per unit funds technology needs and enables WNC to stay current.

## WESTERN UNDERGRADUATE EXCHANGE (WUE)

Through the Western Undergraduate Exchange, selected students from eligible western states may enroll in any of WNC's programs at a reduced tuition level of 150 percent of the college's regular resident unit fees. Students must request WUE status on the application for admission and apply for WUE status by submitting a WUE application to Admissions and Records prior to matriculation. WNC reserves the right to limit the number of WUE students from each state.

## FAST TRACK PROGRAM

High school students who enroll in selected WNC distance education classes through the High School Early Entry Program will pay a discounted fee. See a high school counselor for details.

## GRADUATION APPLICATION/FEES

Students seeking degrees or certificates of completion must submit a completed application for graduation and a \$25 fee to Admissions and Records before processing begins. Missing the application deadline or failure to meet degree requirements means students must submit a new application and repay the application fee.

*Deadline for filing graduation applications and fees for the fall 2011 semester is Monday, Nov. 1.*

## Direct Deposit of Student Refund Checks

Direct deposit is a convenient way for students to receive refund/overage checks. Instead of mailing a check, the funds can be deposited directly into a checking account.

### **BENEFITS INCLUDE:**

#### **Convenience...**

No waiting on the mail or waiting in line to cash or deposit the check.

#### **Quick access...**

The funds are available within two-five business days after the due date of refund.

#### **Safety...**

Prevent check loss or theft.

#### **Signing up is easy...**

Sign-up online at [my.wnc.edu](http://my.wnc.edu) in the finance section of the myWNC student center.

## DELINQUENT ACCOUNTS

All delinquent accounts will be placed on financial hold. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/legal fees.

WNC does not furnish counter checks and under no circumstances will postdated or altered checks be accepted. A \$25 collection fee will be assessed for any check returned as unpaid from the bank. Returned checks must be made good within ten days of the bank's notification (cash, cashiers check or money order only) or the college will begin collection procedures.

## Fee Refunds

The college's refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed within the first five working days of the semester. The last day is Friday, Sept. 2. Courses dropped after the 100 percent refund period that are not "even exchanged" may affect financial aid.

**Any course that begins at a date different from the regular semester and/or after the beginning of the semester, and all short-term courses DO NOT follow full-term refund guidelines.**

A **short-term class is defined** as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term courses and courses that start before the regular semester start date must be dropped at least one day before the first class session for 100 percent refund; after this day no refund will be given. **Note: Many summer courses are short-term.**

Refund checks for dropped classes (*when applicable*) are prepared and mailed biweekly. Payment is made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration. ***Drops must be made by Internet before a refund can be issued.***

Refunds after published deadlines will not be considered for reasons which are beyond the control of the student. Failure to attend class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student's spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness or injury which prevents the student from returning to school for the remainder of the semester.

***In general, no refund is made after the first half of the semester.***

# FINANCIAL ASSISTANCE

## Financial Aid Checklist

**STEP #1:** New students must complete the WNC application for admission and declare a degree or certificate program. WNC is unable to process the FAFSA form until the student has been admitted to the college.

**STEP #2:** Organize financial records that are necessary to complete the FAFSA.

For the 2011-12 FAFSA the student's and parent's (for dependent students) 2010 tax return information is required. For married students filing separately the spouse's tax information is required. Other income documents may include year-end statements from Social Security, W-2 forms, disability incomes statements, unemployment compensation statements, TANF annual income statements, etc.

**STEP #3:** Complete the electronic FAFSA at [www.fafsa.gov](http://www.fafsa.gov). List WNC as the college choice. WNC's school code: **013896**. To sign the FAFSA electronically a PIN number is required for students and parents. The FAFSA PIN number can be used each year to apply for financial aid and to access federal student aid records online. The PIN should be kept in a safe place and never given to anyone.

**STEP #4:** Check myWNC to track the status of financial aid. Information may be required to verify the information on the FAFSA. Submit the requested documents to the Financial Assistance Office. If changes are made on the FAFSA or to the level of enrollment awards may change.

For assistance completing the FAFSA, computers and advisors are available in Financial Assistance 8 a.m. to 5 p.m., Monday through Friday. The office is open until 6 p.m. Wednesdays when classes are in session. Bring financial records and the required Department of Education PIN number.

*Please Note: withdrawing from classes may require a repayment of financial aid and affect eligibility for future aid.*

## Applying for Financial Aid

The college's Financial Assistance Office administers an array of financial aid programs including grants, scholarships, loans and part-time employment to assist students in meeting educational expenses. All students are eligible for some type of financial assistance for class levels 095 and above. To be considered for financial aid complete the Free Application for Federal Student Aid each year. Students should complete the FAFSA online as soon as possible after January 1 for the next school year. Early submission of the FAFSA increases the possibility of receiving aid as some funds are limited.

All financial aid application and checklist items must be complete and Satisfactory Academic Progress standard met by July 1, 2011, in order to receive aid for fall 2011 by class cancellation deadlines. If these items are not completed or met, students must plan to pay for fees on their own, in accordance with fee deadlines. Eligible applicants who do not meet the deadline may subsequently receive aid after the semester begins.

The WNC scholarship application must be completed to be considered for scholarships. Deadlines are posted on the application. *Application is available online at:*

## WELCOME MILLENNIUM SCHOLARS!

**Your scholarship pays \$40 per credit for lower division courses (100 & 200 level) and \$60 per credit for upper division courses (300 & 400 level), up to 12 credits each term for courses 100 level & above.**

### To use your scholarship:

- Apply for admission **and** select a degree or certificate program. Only degree seeking students are eligible to receive the scholarship.
- Register by Internet for at least six credits at WNC per semester.
- Maintain the grade point average as required in your acknowledgement letter.
- If you need additional funds for college, please contact Financial Assistance.

## Receiving Financial Aid & Scholarships

When financial aid and scholarships are approved and the student has enrolled in the correct number of credits, funds will automatically be applied to the student's WNC account. This will occur no earlier than ten days prior to the start of semester. If financial aid is not approved in time for fee deadlines, the student is responsible for payment.

If funds awarded exceeds the charges on a student's account, the balance of funds is refunded to the student to pay for other educationally related expenses. Refunds are released to students beginning the week prior to the start of classes in one of the following ways:

- Check: The refund check is mailed to the address listed in myWNC.
- Direct Deposit: Direct deposit is available if the student completes a Direct Deposit form and submits it to the Business Office along with a voided check. Allow 10-15 business days for the form to be processed.

Student who decides not to attend WNC must withdraw by the last day of the 100% refund period and notify the Financial Assistance Office.

## Veterans Services

The college maintains an office of Veterans Services on the Carson City campus. Information concerning veterans services is also available through Counseling Services on the Fallon campus and from the coordinator at any of WNC's outlying centers.

Persons who are eligible for veterans benefits include: honorably discharged veterans, children of 100 percent service-connected disabled veterans, and the widows and children of veterans who died in service or from service-connected disabilities. Veterans and eligible persons are responsible for submitting all necessary paperwork to the Veterans Services Office. Early registration and submission of documents will assist the Veterans Services Office, and allow adequate time for processing applications. Academic counseling is required prior to certification each semester.

### VETERANS STANDARD OF SATISFACTORY PROGRESS

Veterans receiving VA educational benefits must maintain a minimum cumulative grade point average of 2.0 on a 4.0 scale. If GPA falls below 2.0, he/she will be placed on academic probation for the following semester. If the cumulative GPA remains below 2.0 for two subsequent semesters, VA benefits will be terminated. To re-establish eligibility, students must take courses at their own expense until they achieve the required minimum 2.0 GPA.

# COUNSELING & TESTING

## Counseling Services

### *Degree & Course Advising • Career Counseling • Personal Counseling*

Counselors are available weekdays and some evenings at the Carson City, Douglas, and Fallon campuses to help students and community members make important decisions regarding educational goals and career directions.

Counselors help students plan their academic schedules to ensure understanding of major/graduation requirements and current transfer guidelines. Counselors can also assist students with career exploration, interest testing, job search techniques, and provide current information about labor markets and educational training requirements.

Students are encouraged to see a counselor prior to enrollment to receive correct advising.

## Disability Support Services (DSS)

WNC is committed to making its programs and services accessible to persons with disabilities. To receive academic accommodations through Disability Services, students must be currently enrolled in classes and provide appropriate documentation of their disability.

Support services for WNC students with disabilities are provided through Counseling Services on the Carson City campus. For effective and timely services, students should submit their requests for assistance at least four weeks in advance.

## Testing

Every student planning to register for English or math courses at WNC must either take placement tests, submit ACT/SAT scores (no more than two years old), or provide a transcript showing completion of prerequisite courses. Testing assesses a student's current skills in reading, writing and math, and helps students select the appropriate courses to take at WNC. Students who are not sure if they need to test should contact a counselor.

### Board of Regents mandated ACT & SAT required scores:

	ACT	SAT		ACT	SAT
English 100	18	440	Math 127	25	560
English 101	21	510	Math 128	22	500

Math 126	22	500			

Testing is available by appointment at the Carson City and Fallon campuses. There is a \$15 testing fee. Photo identification is also required.

## Transfer Center/Career Center

WNC's Transfer Center assists students who plan to continue their education at another institution. The center makes transferring from WNC to another college or university as easy and efficient as possible.

The Career Center provides information on career descriptions, job outlook, work settings and preparation necessary to enter specific career fields.

The Transfer Center and Career Center are in Counseling Services at the Carson City and Fallon campuses.

Campus Connect is a student group that helps ease the transition to college. Campus Connect provides a social network and resources specifically for adult students. The group meets weekly and hosts workshops to support student success.

# COMMUNITY EDUCATION INFORMATION

THE COMMUNITY EDUCATION DIVISION IS CONVENIENTLY LOCATED  
ON THE CARSON CITY CAMPUS IN THE REYNOLDS CENTER, RM 104C

## PURPOSE

The goal of the Community Education Division is to respond to community needs for lifelong learning opportunities. Local residents are encouraged to suggest classes and workshops they would like to have made available. Moreover, residents who have an expertise to share with the community are invited to contact the department. The Community Education program is self-supporting and does not receive state funds to sponsor its classes and workshops. These activities are funded entirely by student fees. Classes are offered for no credit and with no final grade assigned.

## COLLEGE FOR KIDS COURSES

An educational enrichment program is offered to challenge and entertain children in our community. Schedules can be obtained on campus or by calling 445-4268. Schedules are also included in the Carson City area elementary school folders each semester.

## CANCELLATIONS & REFUNDS

Community Education makes every effort to contact students if a class is canceled due to instructor illness or lack of enrollment. Please make sure to update personal information through myWNC. Call the Community Education Office before class to determine if any changes or possible cancellations have occurred. If WNC cancels a class, students will automatically be issued a 100 percent refund for the class. The one time admission fee is not refundable.

For semester-long courses, 100 percent of tuition is refunded if the withdrawal is completed three days prior to the first day of the semester.

For short-term courses, 100 percent of tuition is refunded if the withdrawal is completed three days prior to the first day of the course. EXCEPTION: Motorcycle Safety and Driver's Education class fees are non-refundable.

For any physical class, due to the activity of these classes, students should contact their physician before attending.

## REGISTRATION & PAYMENT

There are two processes to enroll for class:

- For classes **with** "Class Numbers," enroll at [www.wnc.edu](http://www.wnc.edu)
- For classes **without** "Class Numbers," such as Motorcycle Safety,
  - Call to enroll
  - Register in person at the Carson City campus.
  - Payments may be made by check, money order or credit card.
  - Fax registration to 445-3286 for payment by credit card only.

Payment must be received on the same day as registration or it will be canceled without notice.

## MOTORCYCLE RIDER COURSE – EXPERIENCED RIDER COURSE (ERC)

THE EXPERIENCE RIDER COURSE (ERC): is designed for those with motorcycle riding experience that have been licensed in another state, need or want a refresher course, or those who are unlicensed but have current riding experience with a minimum of 200 hours of riding in the past six months. This class is not for the novice, new rider or someone who has not ridden. This is a one day, condensed class. Student MUST provide their own DOT approved helmet, motorcycle with current Nevada registration and proof of insurance.

ERC C01			Meets 10/1		S: 7 AM-4:30 PM	Carson City Harley-Davidson	Staff
---------	--	--	------------	--	-----------------	-----------------------------	-------

ALL MOTORCYCLE CLASSES: The curriculum taught is “Motorcycle Safety Foundation” a nationally recognized program. Upon successful completion of the course, students will receive an MSF completion card to take to Nevada DMV to obtain a Class M motorcycle endorsement. This is a difficult program; a student may be dismissed if his/her lack of progression endangers the student or fellow classmates. Insurance companies may offer a discount for having attended a motorcycle safety class.

THE FOLLOWING CLOTHING IS REQUIRED: Eye protection such as prescription glasses, sunglasses, goggles or full face shield DOT helmet, full-fingered gloves, long sleeved shirt or jacket (no skin exposed), over-the-ankle boots and long pants.

REGISTRATION AND PAYMENT INFORMATION: Registration is a manual process; call 445-4268 to register. PAYMENT FOR THE CLASS IS DUE AT TIME OF REGISTRATION AND IS NON-REFUNDABLE. Class fee is transferable one time within the same season if there is space available. Classes are offered weekly, April through October, excluding holiday weekends. ATTENDANCE AT ALL SESSIONS IS MANDATORY. IF STUDENT IS LATE, MISSES A CLASS, IS DISMISSED FROM CLASS OR DOES NOT ATTEND, CLASS FEE IS FORFEITED.

# FALLON COMMUNITY EDUCATION INFORMATION

**The Community Education Office is conveniently located on the Fallon Campus in Virgil Getto Hall.**

## PURPOSE

The goal of the Community Education Division is to respond to community needs for lifelong learning opportunities. Local residents are encouraged to suggest classes and workshops they would like to have made available. Moreover, residents who have an expertise to share with the community are invited to contact the department. The Community Education program is self-supporting and does not receive state funds to sponsor its classes and workshops. These activities are funded entirely by student fees. Classes are offered for no credit and with no final grade assigned.

## COLLEGE FOR KIDS COURSES

An educational enrichment program is offered to challenge and entertain children in our community. Schedules can be obtained on campus or by calling 423-5847.

## CANCELLATIONS & REFUNDS

Community Education makes every effort to contact students if a class is canceled due to instructor illness or lack of enrollment. Please make sure to update personal information through myWNC. Call the Community Education Office before class to determine if any changes or possible cancellations have occurred. If WNC cancels a class, students will automatically be issued a 100 percent refund for the class. The one-time admission fee is not refundable.

For semester-long courses, 100 percent of tuition is refunded if the withdrawal is completed three days prior to the first day of the semester.

For short-term courses, 100 percent of tuition is refunded if the withdrawal

is completed three days prior to the first day of the course. Motorcycle Safety and Driver's Education class fees are non-refundable.

For any physical class, due to the activity of these classes, students should contact their physician before attending.

## REGISTRATION & PAYMENT

There are two processes to enroll for class:

- For classes **with** "Class Numbers," enroll using the Internet at **www.wnc.edu**
- For classes **without** "Class Numbers," such as Motorcycle Safety,

- Call to enroll.

- Register in person.

Payments may be made by check, money order or credit card.

- Fax registration to 423-8029 for payment by credit card only.

Payment must be received on the same day as registration or it will be canceled without notice.

## Adult Community Education Classes

All classes meet for the full semester (August 29 - December 17) unless otherwise noted.

Check the dates that are listed under the specific class.

Are you proficient in a hobby with skills you can teach others? Do you have a particular ability related to business or self-development, or in any area that might help someone else? Have you gained knowledge or expertise about a subject that might be of interest to other adults?

WNC Fallon wants to expand its non-credit community education program and seeks qualified instructors.

# PROGRAMS & SERVICES

## Academic Skills Centers

To help students succeed, the Academic Skills Centers provide tutoring assistance in many subject areas. This service is free to WNC students, and the ASC staff is committed to helping students become self-confident and independent learners. Stop by the ASC at the Carson City and Fallon campuses for schedules of subjects and tutors, or check the web site. Tutoring is also available at the Douglas campus. Writing tutoring is available online as well. By appointment, or drop-in tutoring available.

## Athletics

WNC offers two intercollegiate sports teams for students who wish to continue their athletic competition while they earn a community college degree or prepare to transfer to a university: baseball (men) and softball (women). Athletes can earn college credits and degrees, use Millennium Scholarships and other types of financial assistance, and compete close to home at WNC.

The WNC baseball and softball teams are Division I members of the National Junior College Athletic Association. Division I schools may offer scholarships.

### **STUDENT REQUIREMENTS**

WNC students participating in the college's athletics program must enroll full-time for a minimum of 12 academic units each semester and must maintain a minimum cumulative grade point average of 2.0.

## Adult Literacy & Language

Formerly referred to as Adult Basic Education, the Adult Literacy and Language office empowers people who are choosing educational opportunities that will enable them to reach their life, work, civic, family and personal goals.

Literacy instruction, English language learning and GED preparation is available to adults who qualify, through a federally-funded grant dispersed by the Nevada Department of Education. Services are offered year-round and include classes, online instruction, tutoring, transition courses, and a computer-based instruction lab. Students will typically move from one type of instruction to another and will be assisted with the transition into for-credit college classes. All services are available at no charge to students.

### **ENGLISH LANGUAGE LEARNING**

Non-native English speakers can improve their listening, speaking, reading and writing skills in structured, intensive courses offered throughout the school year. Prospective students will be administered a reading comprehension exam upon admission and placed in a class appropriate for their English learning level.

#### **Carson City English Language Registration**

Wednesday-Thursday, Aug. 31-Sept. 1 • Tuesday, Sept. 6

9 a.m. • 10:30 a.m. • 5:30 p.m. • 7 p.m.

Expect registration to last up to two hours.

*Fall Session begins Monday, Sept. 12*

### **APRENDIZAJE DEL IDIOMA INGLÉS**

Los no nativos hablantes en el idioma inglés pueden mejorar sus habilidades de escuchar, hablar, leer y escribir el inglés en un curso intensivo que es ofrecido durante todo el año escolar. A los estudiantes interesados se les dará un examen de comprensión en lectura de inglés para colocarlos en la clase apropiada de acuerdo a su nivel en el inglés.

#### **Carson City Aprendizaje del Idioma Inglés Registración**

Augusto 31-Septiembre 1 y Septiembre 6

9 a.m. • 10:30 a.m. • 5:30 p.m. • 7 p.m.

Tener en cuenta que la registración dura aproximadamente 2 horas.

*La sesión de otoño en Septiembre 12.*

**Locations, class schedules, descriptions & other information:**

### **GED EXAM PREPARATION**

Instructional services are provided in Carson City, Fallon and Douglas to students who have not graduated from high school to prepare for the GED (high school equivalency) exam. Prospective students will be administered a broad-based skills assessment and a GED practice test to determine individual strengths and weaknesses congruent with exam criteria. Students will meet with a staff member to develop a learning plan specific to the educational goals of the student.

#### **Carson City GED Preparation Registration**

Second & fourth week of each month

Monday, 6 p.m. & Friday, 9 a.m.

Registration process may take up to three hours.

### **LITERACY INSTRUCTION**

Instruction may be provided to students who lack skills sufficient for successful college work. Prospective students will be administered a broad-based skills assessment to determine educational needs. Learning plans specific to student needs will be developed based on the assessment.

### **ADULT LITERACY & LANGUAGE**

Bristlecone Building, Rm. 340 • 445-4451

Monday - Thursday, 8 a.m. to 8 p.m. Friday, 8 a.m. to 5 p.m.

# PROGRAMS & SERVICES

## Associated Students of Western Nevada

The Associated Students of Western Nevada, otherwise known as student government or simply ASWN, is an elected group of students who work to enhance student life by representing the voice of the students at Western Nevada College. All members of ASWN welcome and encourage other students to voice any college concerns or ideas.

Student government offers a great opportunity for anyone interested in organizing student activities and influencing changes or student policies. Students really do make a difference, so get involved!

Visit the ASWN web site to view upcoming student events and contact ASWN members.

## Looking for a JOB?

Check out WNC's Student Employment web site

[www.wnc.edu/jobs/student\\_jobs/](http://www.wnc.edu/jobs/student_jobs/)

**Student Employment-** Access student employment information by clicking on the Student Life link of the WNC web site home page. Employers can enter employment opportunities directly into the web site and students can access job descriptions. Categories include:

**On-Campus Job Board-** On-campus jobs are open to any WNC student currently enrolled in at least 12 credits (or six credits for work-study students). Students who have been awarded work-study as part of their financial aid have priority for on-campus positions.

**Tutoring Positions-** Tutoring positions at elementary schools within the WNC service area are available to WNC students through the Regents' Award Program. Students are not required to apply for financial aid to qualify for these positions, but they must meet the minimum criteria.

**Off-Campus Job Board-** WNC receives employment announcements for a range of off-campus jobs including part-time, full-time, and temporary positions. These positions are not affiliated with WNC. They are posted on the Job Board as a service to WNC students, alumni, and the local community. For specific information on any listing, contact the employer directly.

## Continuing Education Programs

Learning is a lifelong process. The Continuing Education Department provides lifelong learning opportunities for all ages within the communities that Western Nevada College serves. From the young child to the senior citizen, students in continuing education programs develop skills, enjoy creative or recreational pursuits, and broaden personal knowledge.

### COMMUNITY EDUCATION

Non-credit, self-supporting community education classes in diverse areas are offered for adults. Classes may be as short as a few hours or may meet weekly throughout the semester. Field trips and special events may also be arranged. Since Community Education is self-supporting, credit classes that typically do not receive sufficient enrollment can be offered through the Community Education Department. Some programs, such as Motorcycle Safety, will grant an endorsement card upon successful completion. Driver's Education is also offered.

### COLLEGE FOR KIDS

College for Kids is an enrichment program to challenge youth in WNC's service area and offer educational and creative experiences outside of the traditional elementary, junior high or high school classroom. Classes such as drawing or painting, cooking, crime scene investigation, dancing and scrapbooking allow children to explore their creative side. Classes such as Babysitting Certification and CPR or Pet Care focus on developing personal skills, enabling them to assume more responsibility as they grow.

### SENIOR COLLEGE

Senior College, a WNC program based at the Fallon campus, features non-credit and credit courses to meet the specific interests and needs of older active adults in western Nevada. A variety of community education and academic classes are offered.

[www.wnc.edu/ce/senior\\_college/](http://www.wnc.edu/ce/senior_college/)

### TRUCK SCHOOL

WNC provides individuals the opportunity to obtain a Commercial Driver's License through truck driving school, offered in conjunction with Advanced Truck School, LLC. Students meet for two weeks of classroom training, followed by two weeks of driving on a skills course and over the road. This program is based at the Fallon campus and is available at any WNC campus by request.

### WORKFORCE DEVELOPMENT CENTER

The Workforce Development Center delivers education and training to businesses, government agencies, and non-profit organizations so employees can improve job skills and increase productivity.

Instruction can be tailored to an employer's specific needs or provided as a "pre-packaged, off the shelf" solution to a skill development request. Whether it involves supervision, industrial safety, customer service, computer applications, Spanish for employees or supervisors or another area of skill development, training can be delivered when and where it fits the organization's schedule. Flexibility and affordability are the keys to the operation of the Workforce Development Center and its staff.

Employers may also advertise job openings on the online Job Board. To post a job opening, click on the "List Your Job Openings" link on the Workforce Development Center web site.

## Dini Student Center

The student center is located on the first floor of the Joe Dini Library at WNC Carson City. The center offers students a place to study, relax, and have a good time. It includes:

- Fitness Center • Game room/pool tables • Internet Cafe
- Television lounge • Student government offices • Study areas

### STUDENT ID CARDS

Students obtain college ID cards at the student center information desk.

### FITNESS CENTER/ACTIVITY STICKER

Students need a WNC student ID card, must enroll in a minimum of three credits and purchase a \$20 activity sticker each semester to use the Fitness Center. Pay for the activity sticker in the Business Office, and take the receipt to the student center information desk to receive a valid sticker. Valid WNC ID with current activity sticker is required for the Fitness Center. No Exceptions.

## START COLLEGE EARLY!

## High School Student Services

WNC offers services which allow qualified high school students to earn high school and college credits simultaneously. They include:

**TECH PREP:** High school juniors and seniors may earn college credit for occupational coursework completed in high school. Courses are taught by high school teachers who follow a curriculum established by both high school and college faculty. The program is designed to give students hands-on and academic experience. Course credits apply to WNC certificate and degree programs, giving students a head start on higher education programs that relate to chosen career paths.

**DUAL CREDIT:** Students may earn college and high school credits simultaneously. Each high school in the WNC service area allows many WNC courses to also count as high school credit. The program helps students by offering courses not available at the high school, and giving them the opportunity to begin college while still in high school. Contact local school districts for an updated list of dual credit classes.

**FAST TRACK:** Designated college courses are offered via Internet or interactive video at a discounted rate to high school students. Most Fast Track classes cost only \$25, with a \$15 interactive video fee.

## Phi Theta Kappa Honor Society

Phi Theta Kappa has recognized academic excellence in two-year colleges since 1918 and is one of the most prestigious honor societies in higher education. WNC has two chapters of Phi Theta Kappa: Alpha Upsilon Beta and Beta Theta Iota. Alpha Upsilon Beta, established in 1991, has inducted more than 500 members. Beta Theta Iota, established at WNC Fallon in 1998, has inducted more than 75 members.

### Phi Theta Kappa has four hallmarks:

- Scholarship • Service • Leadership • Fellowship

## You are a Potential Honors Student!

The WNC Honors Program is designed to challenge students to achieve their highest academic potential. Students enrolled in any major are eligible to participate in the Honors Program. This means **YOU!**

### WHAT ARE SOME PROGRAM BENEFITS?

- a chance to demonstrate your dedication to academic excellence and love of learning
- the opportunity to work closely with your college instructors
- honors recognition on transcripts and upon graduation
- high quality recommendations from college faculty for career, scholarship, or further educational opportunities
- annual year-end recognition for "Outstanding Honors Projects"

### HOW DOES IT WORK?

WNC students with a 3.0 or higher cumulative grade point average or recent high school graduates with an exit GPA of 3.0 or higher are eligible to apply. Students in the program earn honors credit for a course by undertaking special course projects in addition to the regular course requirements. Projects are completed on a contractual basis with individual faculty members. To receive honors credit, the student must receive a grade of "B" or better for the course and complete the contracted project to the satisfaction of the course instructor. During the first week of classes, talk to your instructors about participating in the Honors Program.

Honors Program participants who receive honors credit in 18 or more course units in at least six different academic disciplines and who have at least a 3.5 cumulative GPA at graduation are designated as Honors Graduates.

## Library Services

WNC offers library and research services to all students, both on campus and online. Thousands of full-text books, magazines and newspapers are available, including 10,000 e-books, 17,000+ online journals and newspapers, 200+ print journal subscriptions, 4,000+ videos and DVDs, and maps. Students can borrow materials from the two campus libraries in Carson City and Fallon, as well as other libraries, using their WNC library card. Current students can obtain a free library card at the library, or online, if they are enrolled in web classes. WNC libraries provide a comfortable place to study, PC & Mac computers, wireless access for laptops, photocopiers, scanners, and group study space.

## Jump Start a Teaching Career

### WNC & Nevada State College Partner in Teacher Preparation

WNC offers a set of transfer courses for education majors that makes it possible to complete the first two years, up to 64 credits, of course work for bachelor's degrees from the College of Education at the University of Nevada, Reno or Nevada State College. Students may prepare for a degree in Elementary Education, a Bachelor of Science in Secondary Education, or Bachelor of Arts in Secondary Education.

Foundation courses available at WNC include instructional technology, required 200 level English courses, introductory courses in secondary and special education, and freshman and sophomore courses requiring supervised field experience in the K-12 schools.

WNC students who are close to completing their first two years of transfer courses toward a bachelor's degree in education can enroll in Nevada State College junior and senior level courses offered at WNC sites by interactive video and by Internet. Students are able to earn a bachelor's degree and prepare for certification as an elementary or special education teacher without leaving WNC's service area.

Classes are offered at a rate allowing students to finish at the same pace as other four-year institutions.

To date, more than 50 students have finished their degrees and have teaching jobs in the area of their choice—Carson, Fernley and Fallon.

# POLICIES

## Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges to disclose certain timely and annual information about campus crime and security policies.

More detailed information and the crime statistics for the past three years is available at [www.wnc.edu/ps/](http://www.wnc.edu/ps/)

## Drug & Alcohol Prevention Policy

WNC is required to provide information about campus rules and regulations pertaining to alcohol and other drugs. The pamphlet, A Safe Campus, is available at each campus as a resource for students, employees and visitors.

## Legal Notice

This is the 2011 fall semester class schedule of Western Nevada College. It lists the classes that the college plans to offer and describes registration and enrollment guidelines. This information is subject to change at any time and should not be considered a contractual agreement.

## Notice of Copyright Laws & Infringement Penalties

Students should be aware of federal copyright laws and penalties that may be assessed for violation of these laws. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

### STATEMENT OF INTEGRITY

WNC is committed to the highest ethical standards in its administration, teaching, scholarships, and service, and its treatment of its students, faculty and staff.

## Non-discrimination Statement

WNC is guided by the principle that there shall be no difference in the treatment of persons because of race, religion, color, age, sex, including a pregnancy-related condition, sexual-orientation, military status, or military obligations, disability, including veterans with service-connected disabilities, or national origin, and that equal opportunity and access to facilities shall be available to all. Similarly, there shall be no difference in the treatment of persons who file charges of discrimination, participate in a discrimination proceeding, or otherwise oppose discrimination. It is our policy to comply fully with the non-discrimination provision of all state and federal regulations with regard to recruitment, admission, financial aid, activities, hiring, promotions, training, terminations, benefits and compensation.

## Principles of Community

As members of the WNC community, we choose to be part of an academic community dedicated to those principles that foster personal and professional integrity, civility, and acceptance.

We strive toward lives of personal integrity and academic excellence. We will encourage in ourselves, and in one another, those responsible actions which lead to lives of productive work, personal enrichment, and useful citizenship in an increasingly interdependent world.

We commit to treat one another with civility. Recognizing that there will be differences of opinion, we will explore the differences in a courteous and forthright manner, always acknowledging individual rights to the freedom of expression and association.

We embrace diversity. We encourage those of all cultures, orientations, and backgrounds to understand and respect one another in a safe and supportive educational environment.

## Sexual Harassment Policy

WNC, as a member of the Nevada System of Higher Education, is committed to providing a place of work and learning free from harassment, intimidation or insult. It is the policy of WNC that the sexual harassment of students, employees, and users of WNC facilities is unacceptable and prohibited.

The NSHE Policy Against Sexual Harassment and Complaint Procedure, Title 4, Chapter 8, Section 13, is incorporated into the Board of Regents Handbook. The policy can be reviewed in the WNC online catalog at [www.wnc.edu](http://www.wnc.edu).
